

CONFEDERATE HOME VISITED BY ANOTHER FIRE

The Confederate Home at Pewee Valley, which was destroyed by fire some time ago, suffered another fire recently, when the colored quarters were destroyed, entailing a loss estimated at \$2,000. The veterans at the Home, assisted by citizens of Pewee Valley, with new fire hose which had just been received, saved the surrounding property. There are 113 veterans at the Home, and all who were able gave a hand in fighting the flames. Several of the veterans are from Bourbon county, and, as usual, they were in the thickest of the fighting, rendering valuable aid.

Some of the caterpillars found in the region of the Darling in Australia are more than six inches in length.

MR. AND MRS. HARBER SUFFER IN RICHMOND FIRE

The Richmond Register has the following regarding the recent loss to Mr. and Mrs. Overton Harber, of Richmond, the latter formerly Miss Rachel Wiggins, of Paris:

"Mr. Overton Harber is the owner of some clothing, but does not know how much, nor what weather they are appropriate for, since they were grabbed by a friend, while the Neale Bennett home was burning and where Mr. Harber lived, Thursday, and beyond being informed, 'that I have some of your clothes,' upon the part of a man who did not even give his name, Mr. Harber knows nothing of the wearing apparel. Mr. and Mrs. Harber recovered some of their clothing, as well as wedding presents, taken from the burning building by friends and neighbors, long after the property was believed to have been destroyed."

The students appreciate their opportunity to learn Latin.

Mrs. B. R. Shipman, supervisor of music in the Akron, Ohio, Public Schools, last Wednesday, spent the day in the Paris schools observing the work being done by Miss Ellen Blandling in public school music. VENARD OWEN

New Owner of Citizens' Garage, Paris, Kentucky

To the Automobile Owners of Bourbon and Adjoining Counties:
Please allow me to introduce myself as Venard Owen, born and raised in Clark County, Ky. At the age of 18 years entered the electric work and served 8 years. Established Winchester's first garage. Sold to Mr. Ed. King, who continues the business. Have scarcely been away from the work since, having sold my last garage in Steele, North Dakota, about six weeks ago. I am opening my new garage home, on the corner of Main and Second streets, in Paris, Ky., the building formerly occupied by the Citizens' Garage.

I am in the business to serve you and not to hold you up.
Will charge you for what we do, and nothing else. Will not be in position to start repair shop for a few days, as changes are being made. Hope to be in position to have warm, clean, respectable place for storage. Carry a nice line of auto accessories, oil, greases, etc.

Will try to start our shop with men who are as good as the best better than the rest. Cars undergoing repairs in our shop must have the parts that are absolutely necessary to insure a first class job in order to protect our business and you for service.

We hope you will co-operate with us in the building up of another first class garage business in Paris, and assure you we will do the best.

We are strangers here, but just drive right in, say "Hello, Owen, fix this tire; take that knock out of my motor; stop that miss; fix that radiator; try us out on electric troubles, we don't care."

Have not named our place yet, will shortly.
Very Respectfully,
VENARD OWEN.
